AMEND Senate Bill No. 3049*

House Bill No. 3513

by adding the following new, appropriately designated, subsection to designated §43-6-502 in
Section 1 of the bill:

() None of the funds for the program authorized by this section shall be
expended until all authorizations required by law have become final and effective,
including, but not limited to, a permit required by the Water Quality Control Act of 1977,
§§69-3-101 et seq.
